**THIS IS AN IMPORTANT DOCUMENT THAT REQUIRES YOUR IMMEDIATE ATTENTION.  
IF IN DOUBT PLEASE SEEK PROFESSIONAL ADVICE BEFORE ACTING ON THE CONTENTS.**

Dear Policyholder

**Policy/Contract Number: <Policy number>  
Your financial adviser: <Agent name>**

**Closure of various FPIL funds (together the “Closing Funds”) to Hong Kong residents and Hong Kong policies (together “Hong Kong investors”)**

We are writing to you in regard to the above matter as you have been identified as either being resident in Hong Kong or your Friends Provident International Limited (“FPIL”) policy is a Hong Kong specific product.

We have taken the decision to close any funds (the “Closing Funds”) held by policies or contracts identified as Hong Kong investors that are not part of the specific fund range available in Hong Kong. Your policy or contract holds units in a fund that is not part of our Hong Kong specific fund range, which only contains funds that are authorised by the Hong Kong Securities and Futures Commission (“SFC”).

**Details of the closing funds**

The Closing Funds into which you are currently invested and/or into which you are making ongoing contributions have now been closed to Hong Kong investors. No new single or regular contributions will be permitted into the Closing Funds, whether from new or existing Hong Kong investors. Until the Closure Dates, only continuing regular contributions will be permitted into the Closing Funds. These ongoing contributions into the Closing Funds may not be increased from their current level.

The funds that will be closing (“the Closing Funds”) are listed in Appendix 1 at the end of this letter.

When we close an FPIL fund, we select another fund from our internal fund range (the “Default Fund”) to act as an alternative investment for the resulting proceeds being switched out of the Closing Fund and for any future premiums or contributions that may be directed into the Closing Fund. The details of the Default Fund from the Hong Kong fund range you will be automatically switched into upon closure, and regular premiums or contributions redirected, are provided in Appendix 1.

### Your options

If you are happy with the Default Fund you will be switched into, you do not need to do anything.

However, you can choose to switch your current holdings in the Closing Fund(s) and/or redirect your premiums or contributions, into a different fund in the FPIL Hong Kong fund range if you wish to do so. You can do this at any time but if you wish to override the transfer or redirection to the Default Fund that we have selected, you must provide us with alternative instructions by 3pm UK time two days before the appointed Closure Date. Please refer to Appendix 1 for more details.

Please visit <https://www.fpinternational.com.hk/investment-choices> for further details on the investment choices available to you within our Hong Kong fund range.

No FPIL charges will arise from these transactions.

**Whilst appropriate due diligence has been carried out on the Default Funds we do not accept any liability for the future performance of these, or any other FPIL funds.**

**These changes will happen automatically within your policy or contract and you do not need to take any action if you agree with the choice of Default Fund that we have selected.**

**We recommend that you seek the advice of your usual investment adviser before making any investment decisions.**
